OEM SOLUTIONS

Attention Lighting Fixture Manufacturers!

ARE YOU READY FOR CALIFORNIA'S TITLE 20 LEGISLATION?

➤ **Title 20** states that Portable Lamps sold into California must either:

- Include a screw-base CFL in the packaging of the portable
- Have a GU24 Socket for use with LED or Compact Florescent lamps
- Dedicated 2 or 4-pin sockets wired to appropriate fluorescent ballasts.

Let TCP help prepare you for California's latest stride towards energy efficiency.

We have a full line of GU24 CFL lamps, including A-Line and bare SpringLamps®. We also have screw base CFLs for every application.

Improving the energy efficiency of the places we work, play and learn helps us save energy, save money and fight global warming. To help you save energy, money, and make a difference for the environment, TCP, Inc. is proud to offer you ENERGY STAR qualified lighting options. To find out more visit tcp.com

TCP is proud to have been awarded ENERGY STAR Partner of the Year 2009.
